DTV Consumer Education Quarterly Activity Report

Instructions

This form should be used to provide the Federal Communications Commission (FCC) with information pertaining to all station activity to educate consumers on the transition to digital television (DTV). All stations should log DTV Transition-Related Public Service Announcements (PSAs) and other DTV activities using the appropriate house (identification) numbers. These logs or records should include the date and time that each DTV activity occurred. This form must be filed in Docket Number 07-148 as Document Type: REPORT, and placed in the station's Public Inspection File. This form must continue to be filed for each quarter in which a station has DTV Transition education obligations.

Section A (For broadcasters electing Option One)

Stations that elect Option One must place a copy of this form on the station's public website, if such exists.

On its analog channel, and its primary digital stream, a station must air one transition PSA, and run one transition crawl, in every quarter of every day. This requirement will increase to two PSAs and crawls per quarter per day on April 1, 2008, and to three of each on October 1, 2008. Stations are required to air PSAs or crawls at various times in any given day part, and at least one PSA and one crawl per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

☐ Yes ☐ No

Have you aired a sufficient number of eligible crawls (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

☐ Yes ☐ No

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m.. It must also run one 30 minute DTV-related informational program once, and one 100-Day Countdown piece per day for the 100 days prior to the conclusion of the transition. Comment boxes MUST be used to describe these compliant activities (See rules for additional details).

Additional DTV On-air Initiatives – Last Quarter

Did your station run additional on-air initiatives (such as news reports, town hall meetings, etc.) during the quarter? The comment box may be used to describe these initiatives.

☒ Yes ☐ No

Comments (add additional sheets where necessary):

During our March membership drive, we provided live on-air information about the transition to digital television. This included explanations about when analog broadcasting will end, information about the need for over-the-air viewers to have either a converter box or a built-in digital tuner, the offer to mail a DTV information brochure to any viewer who requests it, and a taped DTV message that included the web site address and phone numbers for the federal coupon program.

Station Website Additional Activity Related to the DTV Transition – Last Quarter

Does your station have a Website? ☒ Yes ☐ No

If YES, did your station provide additional DTV related information or activities on that Website? The comment box may be used to describe what was posted on the station's Website.

☒ Yes ☐ No

Comments (add additional sheets where necessary):

The station web site includes a link to the dtv.gov web site for information on the converter box coupon program, as well as a fact page about the coupon program. We also provide information about digital channels we now offer.

Additional DTV Outreach Efforts -- Last Quarter

Check all of the DTV related activities listed below that your station engaged in over the last quarter. The comment box may be used to describe this activity.

☐ Speaking Engagements

Comments (add additional sheets where necessary):

☒ Community Events

Comments (add additional sheets where necessary):

At community events, we have displayed a converter box and monitor to provide information about digital television and/or provided brochures about digital television. We have also distributed brochures about the basics of digital television. At these events, staff members have been present who are knowledgeable about DTV, and have answered questions from the public about the end of analog, the converter box program, and where individuals can receive more information, such as at the federal dtv coupon web site or phone number, or by calling our offices directly.

☒ Other (describe)

Comments (add additional sheets where necessary):

We have mailed brochures about digital television to our public television members, and to viewers who have called to request the information. We have also provided DTV brochures to volunteers and area residents whom we believe can help distribute the information to individuals who are most likely to need it, including the elderly and low-income viewers. In addition, we have printed information about the DTV transition in our viewer guides, provided information for an article in the local newspaper, and included information in our electronic newsletter.

This comment box may be used to include other comments or information about your station's DTV activity over the last quarter.

Comments (add additional sheets where necessary):

The station has committed resources to the DTV transition by printing brochures, producing on-air announcements, and making station staff available to answer questions about the transition. In addition, at meetings with community leaders, volunteers, or viewers, we remind them about the coming transition and ask them to help us spread the word about DTV.
